From our members:

On Saturday the 9th October 2021 I went to Keighley with Bert, Thomas, Christine, Nicholas, Moira, Graham and Andrew. I caught to the 372 into the bus station, and met up with the rest of the others to catch to 343 to Halifax. When we got Halifax we catch 502 Keighley. Then we walked to Morrison's to have some different breakfasts. Bert had cheese and tomato sandwich. When Bert had finished his sandwiches he went to the train station to catch a train to Leeds then on to Huddersfield. When we finished our breakfasts we looked around the Pound shop. At 1.30pm we all went to the bus station to catch the 502 to Halifax. Then went to catch the 503 to Huddersfield, and got to Mum's house at 4.35pm. (*Sarah*)

What happened on the last trip out to the Trafford Centre on the 6th of November 2021.

Me and my dad went to pick Graham from his flat and then made our way to the Bus Station. To meet up with the rest of the group which included Moira and Ian and was left wondering where Sarah was as we waited for the bus to Oldham the time came to board the and still no Sarah, we jumped on the bus and enjoy the ride over to Oldham. I had looked to see where the bus stop was to catch back home, we made our way to the Tram stop and helped Moira and Ian with their tickets and mine and Graham's. Then our tram came into view which just happens to be one of the newest in fleet 3131 hoped of at Oldham central for Sainsbury's for light refreshments. Then onward to the Trafford Centre changing trams at Cornbrook for the Centre. On arrival at the Centre, we took the lift up the mail and did not have far to walk to find the pub for lunch a young lady cleaned the table for us to sit together and order our meals and enjoy them. We found it busy as went to look around the Centre and I was worried about making our way home so we made our way back to the tram and manage to make it back to Oldham and to say both local football teams playing at Old Trafford and changing trams. Found the bus stop it was a bit cold wet and foggy jump on the bus back home and arrived at about 5.30 pm and went our separate ways. (*Andrew*)
